## MULLED WINE FOR A GOOD CAUSE

The Christmas season is known as the time of love, care, and generosity. That's why we are proud to announce that this year, we have joined forces with other contributors in Skagen for a charitable Christmas project - 'Mulled Wine for a Good Cause.'

For every glass of mulled wine sold, we will donate 15% of the proceeds to the Christmas Seal Homes, which do significant work every day to give children struggling with unhappiness, bullying, and loneliness a fresh start.

- Merry Christmas
